Puri Cipageran Indah 2 C8/31

Currently pursuing my studies at Institut Teknologi Nasional. Have a strong passion for Mobile Development and Web Development. Some of my programming skills include PHP, C, Java, Python, and the latest is Dart. Also markup language such as HTML and CSS. Additionally, I am proficient in working with databases such as MySQL and Microsoft SQL Server, and framework using Flutter and Laravel. Looking forward to expand my knowledge that have beneficial to all of my skills and experience.
